SWAMI PARMANANDJI MAHARAJ

“JOURNEY TO SELF AWARENESS”

Yoga, Meditation and Discourses

These discourses will be recorded live by Robert Keeton of “Living Successfully” radio show Swami Parmanandji guides others to their own self-realization and works towards the betterment of humanity. His message is simple: “Know Thyself.” Under his guidance, many have been led to recognize the eternal divinity that resides within each and every one of us.

Sally Perry, Spirit Medicine, established Akhand Param Dham of America (East-West Bridge) in Rockville, Va., to expand Swami’s presence in the US and connect our hearts here in the west to Swami and his worldwide work.

FOR ALL EVENTS

Please wear comfortable, loose fitting clothes suitable for meditation. For lectures please dress “respectfully” — covering shoulders and legs and avoiding tight fitting or “revealing” clothes. It is traditional for women to wear a shawl or scarf to cover one’s chest. It is a wonderful tradition to offer Swami a flower or fruit. These are metaphors for the flowering and bearing of fruit that will occur through the spiritual work that we do together. Oftentimes, the fruit is offered back to the people at the end of the ceremony as a gift from Spirit.
